

RE: FOIA Tasking 10-1241											
The Average Daily Population for all centers that housed ICE detainees in FY 2009.											
Please include the facility name, county, zip, type (ie. IGSA or CDF), ADP for FY 09, 08 and 07, last rating and CY08 rating											
NOTES											
Source: ICE Integrated Decision Support (IDS), 10/07/2009.											
IDS is a data warehouse that contains dynamic data extracts from the Enforcement Integrated Database (EID).											
FY2004-09 data is updated based on IDS as of 10/07/09; EID extract as of 10/05/09.											
All ADP statistics are rounded.											
Annual Inspection Ratings are included for adult CDF, SPC, and IGSA facilities used greater than 60 mandays per year.											
Annual Inspection Ratings are not included for BOP, MIRP, ORR, IGSA (used less than 60 Mandays), Family or Juvenile IGSA Facilities, and Other facility types.											
Facility Type definitions follow below:											
TYPE	TYPE - Name and Definition										
BOP	Bureau of Prisons: a facility operated by/under the management of the Bureau of Prisons.										
CDF	Contract Detention Facility: a facility that is owned by a private company and contracted directly with the government.										
IGSA	Inter-governmental Service Agreement: a facility operated by local government(s). IGSA facilities may fall under public or private ownership.										
MIRP	Mexican Interior Repatriation Program										
ORR	Office of Refugee Resettlement: juvenile facilities operated by the U.S. Department of Health and Human Services.										
Other	Other: facilities including but not limited to transportation-related facilities, hospitals, hotels and/or other facilities.										
SPC	Service Processing Center: a facility that is owned by the government and staffed by a combination of federal and contract employees.
